SECOND REQUEST FOR EXTENSION OF TIME

Hon. Commissioner of Patents  
and Trademarks  
Washington, D. C. 20231

Sir:

It is respectfully requested that a second one-month extension of time, i.e. up to and including November 17, 1980 be granted to respond to the Official Action of June 17, 1980, now due on October 17, 1980.

To date the principal attorney, Mr. Kokulis, who has been handling this application is still recuperating from the eye surgery he underwent in mid-September. However, the undersigned attorney conferred with him today and is now in the process of reviewing the file and the prosecution-to-date to enable him to prepare a response for review, initially, by the client and thereafter finalize it and file it with the Patent Office.

In view of these circumstances, it is requested that this second extension be granted so that there will be sufficient time to accomplish the foregoing.
